

Welcome to Year 1 Maths

The lesson will begin at 10:35 am

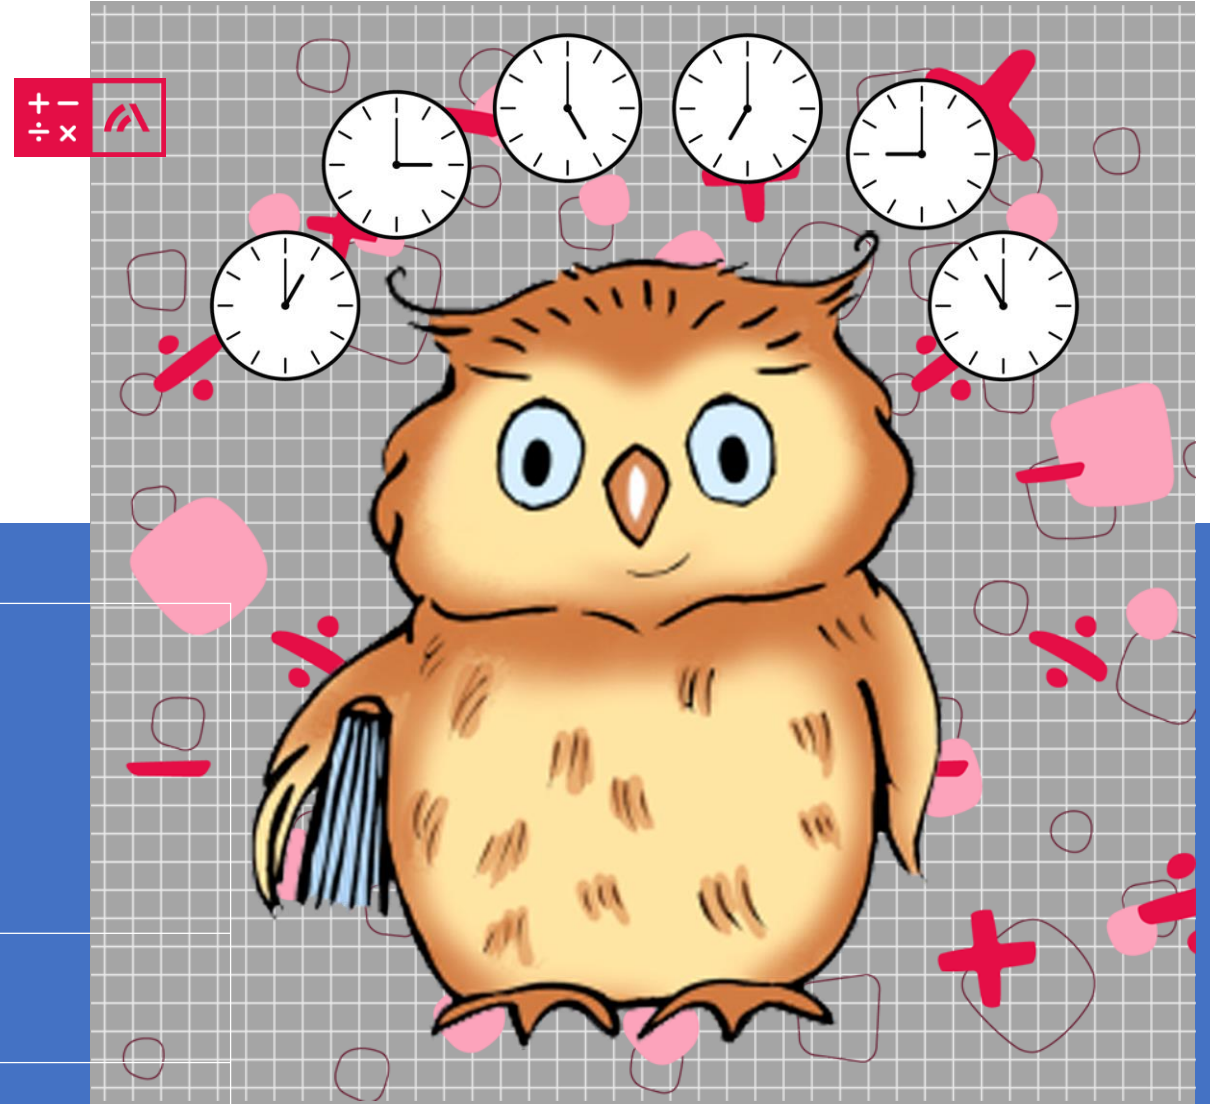

Turn your camera and microphone off please

Year 1 Unit 6: Time

Lesson 8: Time problems

Mathematics
Mastery

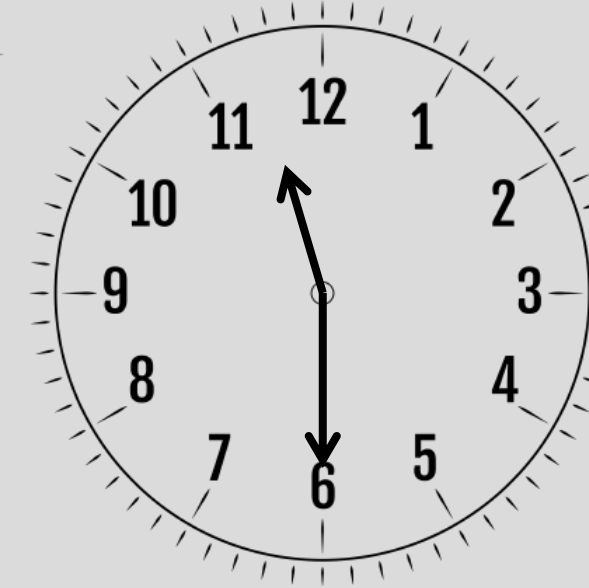

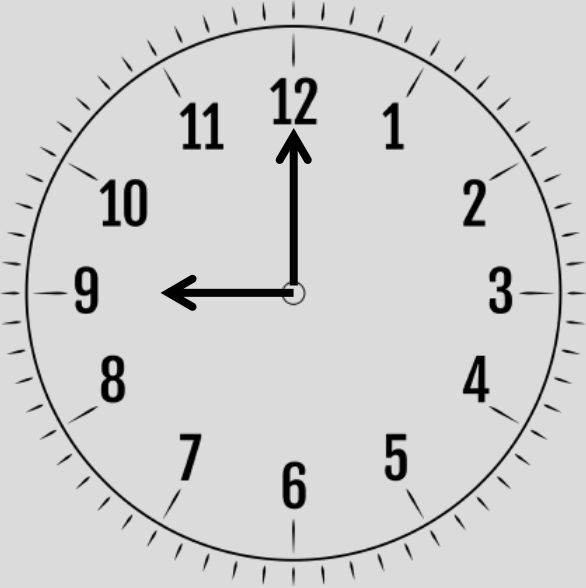

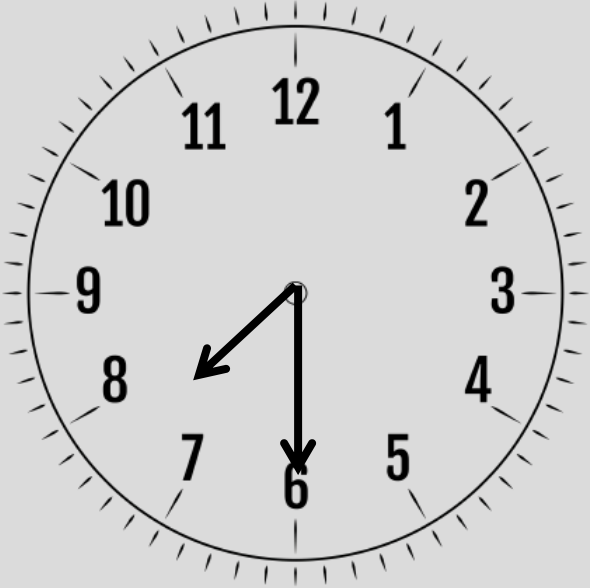

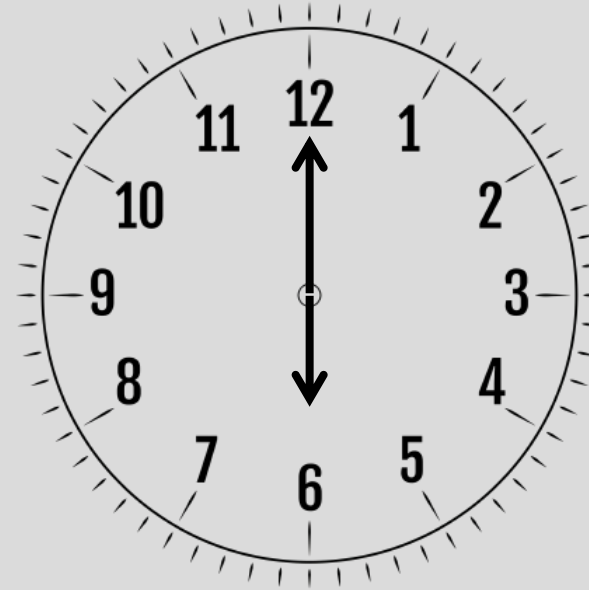

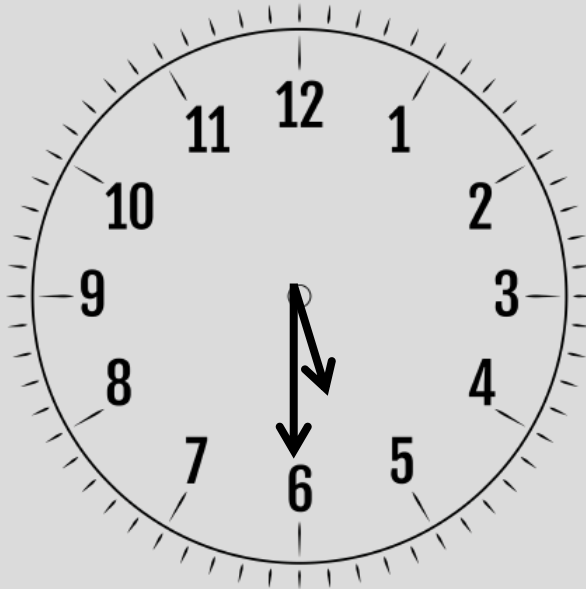

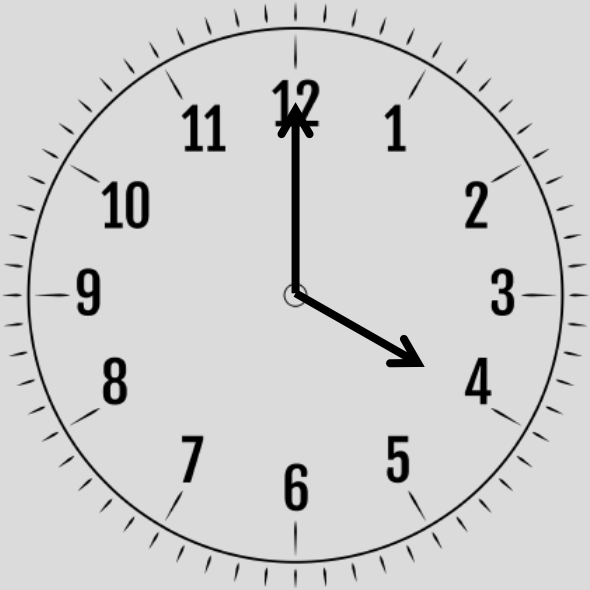

Let's do now...

You will need paper, a pencil and possibly an analogue clock

5 minutes...

Adding on hours and half hours

Do Now

Key learning: To explore adding on hours and half hours

minute hand

 hour hand

o'clock

 straight up

 half past

 halfway

Star Words

Adding one hour

New Learning

Adding one hour

I have made
eight o'clock.

To add on one hour the
minute hand will move
around the clock once
and now it is pointing
straight up again. The
hour hand is now
pointing at the nine. The
new time is nine o'clock.

Stop the clock game

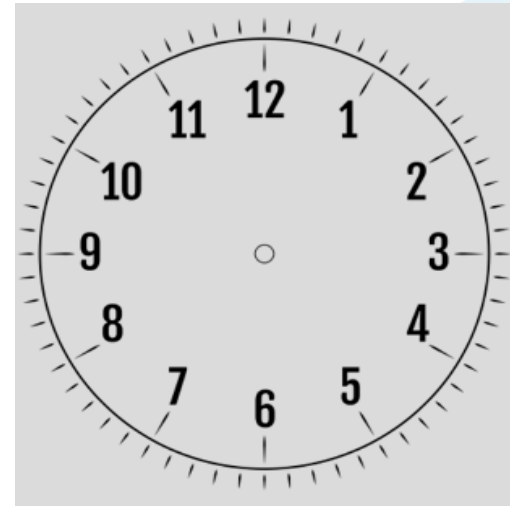

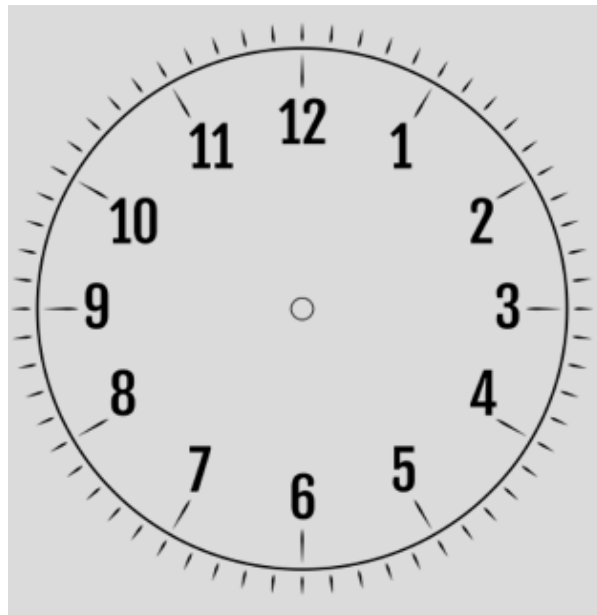

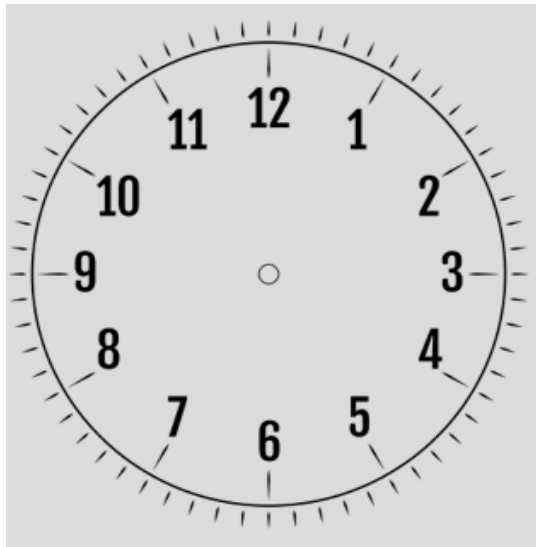

Develop Learning

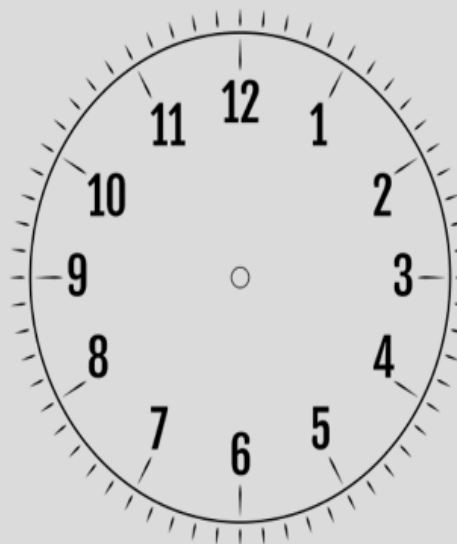

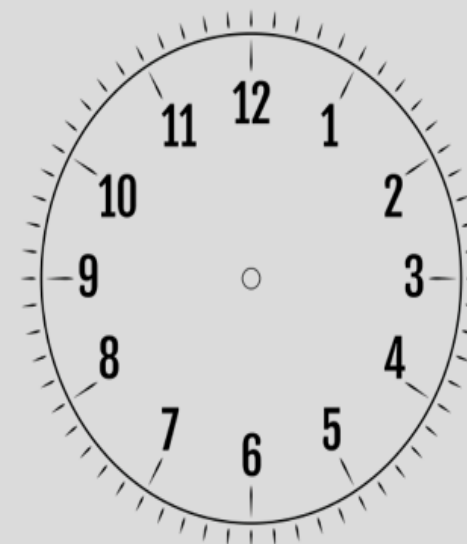

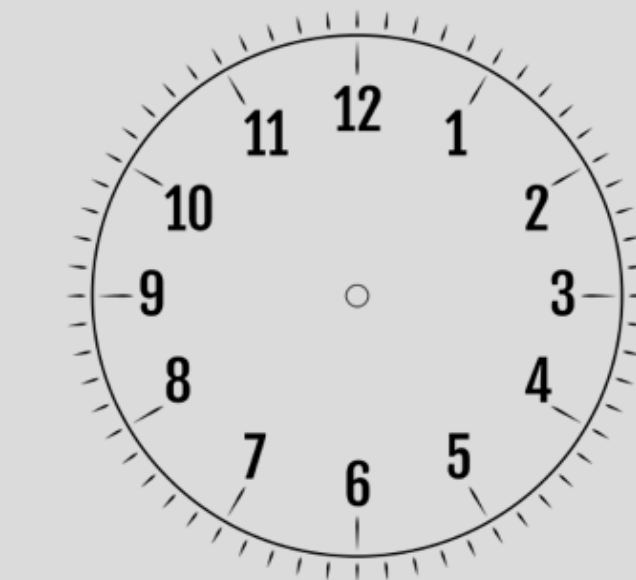

Independent task

Children to draw on an analogue clock 1
hour before the time displayed and 1
hour after

Key learning: To explore adding on hours and half hours

Five o'clock	Half past three
Seven o'clock	Half past nine
Twelve o'clock	Half past one
Four o'clock	Half past five
Six o'clock	Half past ten
Ten o'clock	Half past eight

Independent Task

Reading a clock with some numbers missing

I think it is a half past time because the hour hand is in between the numbers.

I think it is an o'clock time because the minute hand is pointing straight up.

I don't think you can tell the time because some of the numbers are missing.

		9.05 – 9.30	09.30 – 10.00	10.00 – 10.20	10.20 – 10.35	10.35 – 11.45	11.45 – 12.45	12.45 – 2.00	2.05 -2.20	2.20 - 2.40	2.40 – 2.55
