Independent Task

Counting in twos and fives

Find objects to count in **twos** and in **fives** with. Practise counting in twos and fives up to the number **50**. Count backwards in **twos** and **fives**.

Send in your pictures of you counting your objects. How many socks can you find to count in **twos** with? How many hands in your family to help counting in **fives** with? If you run out of fingers, you can use your toes. If you go for a walk, see what you could count in **twos** or **fives** out side.

Be inventive and enjoy counting.

Feedback

Was there anything you found tricky?

Was there anything you thought you did well with?

How can we help you?
