Do Now

Key learning: To know and order the months of the year

	month	January	July
	year	 February	 August
	date	March	September
	after	 April	October
	before	 May	November
	birthday	June	December

Ordering the months of the year

January

February

March

- What month are we in?
- What do we use to keep track of the months?
- What month names do you know?
- How many months are there in a year?

The first month is January. The second month is...

December duel!

January, February

May

August, September

December. I win!

March, April

June, July

October, November

Talk task

You need to say either
1 or 2 months in order.

The first person to get
to December wins!

5 minutes on this
task please.

End of the year

Develop Learning

January

51	20	21	22	23	24	25	26
52	27	28	29	30	31		

Independent task

Create a paper chain by linking the months together.

Remember the months should be in order.

When it is complete, link the start with the end to make a cycle.
