

I will know how to explore the term
Cartist in art

Over the next few weeks it will be helpful if you could collect a shoe box to use later in the term. Your shoe box will be used to make a mode of transport.

This term we will create our own models of transport and design our own message to be displayed on them. The inspiration for our design will be taken from The Oasis 9 habits and the artists Andy Warhol and Roy Lichtenstein.

I do

I have chosen a design by a Cartist and explained what I like about it and why. I have stuck the picture of my chosen design next to my sentence.

I like this design because it is very colourful. I also like the different patterns and shapes that have been used as it makes the design look interesting.

You do

Choose one of the designs from the document (next slide) and say what you like about it and why.

The designs are also saved in assignments on Teams. The file is called Art-24.2.21
