## ArkCurriculum+

## Year 2 Unit 7: Time

Lesson 7: Apply knowledge of time to sequence events

Mathematics

To sequence daily events

## How long?

How long does it take to spend a day at school?

How long does it take to walk from the carpet to the table?

How long does it take to have a good night's sleep?

Key learning: To sequence daily events

morning

afternoon
$\sqrt{2}$
earlier

later

## Sequencing

Think about a usual Wednesday:

What time do you get up in the morning?
What time do you have breakfast?
What time do you come to school?
What time do you have lunch?
What time do you go home?
What time do you have dinner?
What time do you go to bed?

To sequence daily events
Sequencing - put the pictures in the right order, then say what is happening.

To sequence daily events

## Sequencing

Playtime is
at 11
o＇clock．

| Afternoon |
| :--- |
| school starts |
| at 12.30 |

| I go to bed |
| :--- |
| at eight |
| o＇clock． |

Writing the time in words

## Writing the time in words

## School morning timeline

Create your own timeline for a typical school morning or for your morning at home.
Draw 5 pictures in the order you do them each day. Decide what time you think each event happens?
Draw the hands on the clock to show that time.

First thing in the morning I get out of bed. This usually happens about 7 o'clock.

## Matching time <br> Which times match?

| 1 hour | 1 minute | 60 seconds | 60 minutes |
| :---: | :---: | :---: | :---: |
| 1 month | 1 week | 7 days | about <br> 4 weeks |
| 12 months | 1 day | 24 hours | 1 year |
