

Wednesday 3rd February 2021

Welcome to Year 2
Art- 9:00-9:30

LO: I will know how to use watercolours

What you will need today

- Pencil
- Paper (sketchbook)
- A plant or flower.
- Watercolours

What did we do last week?

Last week we created an observational drawing of part of a plant or a flower.

You may have chosen to draw some petals or a leaf that you could see on a plant or flower.

LO: I will know how to do an observational drawing of part of a plant or flower

Georgia O'Keeffe was known for looking carefully at flowers and creating detailed drawings before she added colour using watercolours. She was known for zooming in on part of a flower but today we will be drawing a whole plant or flower.

Today's Task

Today you need to draw a whole plant or flower and use watercolours to paint it.

Watercolour of a poppy

Here is a stop animation video which shows a sped up process of water colouring.

LO: I will know how to use watercolours

Whilst drawing and painting using watercolours you can perhaps play some music, make sure you take your time, look for the details.

Time:	Activity	Type:
09:00: 09:30	Art	Video/Recorded on Microsoft Teams
09:30 - 10:20	Phonics	Live Teams meeting
Break 10:20 - 10:35		
10:35 - 11:45	English, Guided Reading and handwriting	Live Teams meeting
11:45 - 12:00	Independent Task	MyOn/RWI books TTrockstars
Lunch 12:00 - 12:45		
12:45 - 1:50	Maths Meet and Maths	Live Teams meeting
1:50 -2:40	Science	Video and Teams assignment
2:40 - 2:55	Story time	Live
