

Welcome to Year 2 – maths meet.

This is a mental maths session. You will not need any resources.

Please keep your camera and microphone turned off.

Maths Meeting
Monday

- What is 1×5 ?
 - 5
- what is 4×5 ?
 - 20
- What is 7×5 ?
 - 35
- What is 12×5 ?
 - 60
- What is missing in the pattern? 45 ----- 55

If the answer is 10,
what could the question be?

Say 5 more than each number.

35

20

15

25

45

40

30

Can you work out 5 less?

How many months in a year? Can you say the months in order?

Which month is missing?

May ----- July

What is the time on these clocks?

Fractions - which shows a half?

I will know how to use the make ten strategy.

I will know how to use the make ten strategy.

Star words

make 10

add

I will know how to use the make ten strategy.

Number bond tennis

6

10

5

4

0

5

I will know how to use the make ten strategy.

I do:

$$7 + 6 = ?$$

We can use the number line to help us add two numbers together by starting at 7 and counting on 6.

I will know how to use the make ten strategy.

I do:

$$7 + 6 = 13$$

We can use the number line to help us add two numbers together by starting at 7 and counting on 6

I will know how to use the make ten strategy.
I do:

But we can also use our number bonds on the number line too.

$$7 + 6 = ?$$

I know that $7 + 3 = 10$ so I will jump on from 7 to 10 then 3 more.

$$(7 + 3) + 3 = ?$$

I will know how to use the make ten strategy.
I do:

But we can also use our number bonds on the number line too.

$$7 + 6 = 13$$

I know that $7 + 3 = 10$ so I will jump on from 7 to 10 then 3 more.

$$(7 + 3) + 3 = 13$$

I will know how to use the make ten strategy.
We do:

Let's try this calculation $5 + 8 = ?$

First we will add $5 + 8$ on the number line.

Who can tell me the answer?

I will know how to use the make ten strategy.
We do:

Let's try this calculation $5 + 8 = 13$

First I started at 5 and counted on 8 in jumps of 1.

I will know how to use the make ten strategy.
We do:

$$5 + 8 = ?$$

Now let's try this calculation using our number bonds to 10.

First we know that $5 + 5 = 10$

So we need to start at 5, count on 5 then count on 3 more.

I will know how to use the make ten strategy.
We do:

$$\text{So } (5 + 5) + 3 = 13$$

I will know how to use the make ten strategy.
You do:

Try these calculations.

First try adding the numbers together, then try again using your knowledge of number bonds to 10.

$$2 + 10 = 12$$

$$(2 + 8) + 2 = 12$$

I will know how to use the make ten strategy.

You do:

Try these calculations.

First try adding the numbers together, then try again using your knowledge of number bonds to 10.

Write both types of answer to these calculations

$$9 + 2 =$$

$$9 + 3 =$$

$$9 + 4 =$$

$$9 + 5 =$$

$$9 + 6 =$$

Challenge 1

Write both types of answer to these calculations

$$6 + 5 =$$

$$4 + 8 =$$

$$5 + 9 =$$

$$3 + 8 =$$

$$2 + 11 =$$

Mega - challenge.

Can you use your knowledge of number bonds to 20 to work out these calculations?

$$19 + 2 =$$

$$19 + 3 =$$

$$19 + 4 =$$

$$19 + 5 =$$

I will know how to use the make ten strategy.

You do:

Answers

Write both types of answer to these calculations

$$9 + 2 = 11$$

$$9 + 1 + 1 = 11$$

$$9 + 3 = 12$$

$$9 + 1 + 2 = 12$$

$$9 + 4 = 13$$

$$9 + 1 + 3 = 13$$

$$9 + 5 = 14$$

$$9 + 1 + 4 = 14$$

$$9 + 6 = 15$$

$$9 + 1 + 5 = 15$$

Challenge 1

Write both types of answer to these calculations

$$6 + 5 =$$

$$4 + 8 =$$

$$5 + 9 =$$

$$3 + 8 =$$

$$2 + 11 =$$

Mega - challenge.

Can you use your knowledge of number bonds to 20 to work out these calculations?

$$19 + 2 =$$

$$19 + 3 =$$

$$19 + 4 =$$

$$19 + 5 =$$

I will know how to use the make ten strategy.
Plenary

Does the number line match the calculation?

$$7 + 5 = 12$$

Time:	Activity	Type:
09:00: 09:30	Mindfulness Breakfast. My On/TT Rockstars	My on TT Rockstars
09:30 – 10:20	Phonics	Live Teams meeting
Break 10:20 – 10:35		
10:35 – 11:45	English and handwriting	Live Teams meeting
11:45 – 12:00	Independent Task	MyOn/RWI books TTrockstars
Lunch 12:00 – 12:45		
12:45 – 1:50	Maths Meet and Maths	Live Teams meeting
1:50 – 2.30	Computing	Video and Teams assignment
2:35 – 2.50	Story time	Live
