

Welcome to Year 4 Maths

The lesson will begin at 11:15am

Turn your camera and microphone off please

Maths Meeting

What is the missing number?

$$\underline{19} + 81 = 100$$

$$81 + \underline{19} = 100$$

$$100 - \underline{19} = 81$$

$$100 - 81 = \underline{19}$$

Say number bond to 100.

Weekly Temperature

How warm was it on Friday?

How many ° colder was Monday than Friday?

What can we say about the temperature over the week?

What is the difference in temperature between Tuesday and Thursday?

The answer is 240

- What is the question?
- How many questions are there?
- Can you find one that no-one else has?

Which is the odd one out and why?

I will know how to find a fraction of an amount.

I do

$$\frac{3}{4} \text{ of } 32 =$$

What is a quarter of 32?

$$32 \div 4 = 8$$

Therefore $\frac{1}{4}$ of 32 = 8

$$3 \times 8 = 24$$

Therefore $\frac{3}{4}$ of 32 = 24

I will know how to find a fraction of an amount.

We do

$$\frac{3}{4} \text{ of } 44 =$$

What is three quarters of 44?

$$44 \div 4 = 11$$

$$\text{Therefore } \frac{1}{4} \text{ of } 44 = 11$$

$$3 \times 11 = 33$$

$$\text{Therefore } \frac{3}{4} \text{ of } 44 = 33$$

I will know how to find a fraction of an amount.

We do

$$4/6 \text{ of } 72 =$$

What is four sixths of 72?

$$72 \div 6 = 12$$

$$\text{Therefore } 1/6 \text{ of } 72 = 12$$

$$4 \times 12 = 48$$

$$\text{Therefore } 4/6 \text{ of } 72 = 48$$

I will know how to find a fraction of an amount.

You do

$$2/5 \text{ of } 35 = 14$$

First you must find $1/5$ of 35

$$35 \div 5 = 7$$

Therefore $1/5$ of 35 is 7

$$7 \times 2 = 14$$

Therefore $2/5$ of 35 is 14

I will know how to find a fraction of an amount.

You do

Independent Task

Please return in 20 minutes to the
Teams call

I will know how to find a fraction of an amount.

Plenary

Whitney eats $\frac{3}{8}$ of 240 g bar of chocolate.

How many grams of chocolate has she eaten?

I will know how to find a fraction of an amount.

Plenary

True or False?

To find $\frac{3}{8}$ of a
number, divide by 3
and multiply by 8

Convince me.
