Beginning	Build up	Problem	Resolution	Ending
In the beginning, we are introduced to characters Ben, Harry and Sue who go for a walk in the fields and woods surrounding their homes.	Whilst on the walk, Ben notices all the gaps and spaces in their world. He suggests a mouse could fill the space and creates one out of sticks and leaves. Sue then creates a bird. After, Harry decides to try, he creates a snake which frightens the children so they decide to stop.	However, Harry and Sue can't sleep because they want to make a wolf. They create the wolf which gobbles them up.	Luckily, Ben was hiding up a tree so he is able to save them by turning the wolf back.	Once saved, the children decide to go home.
