

START your informal letter to Kalena.

- Date / Dear
- Paragraph one - ask questions about Kalena and her father (where they are and how they are) as well as making statements about yourself (how you are, how you are feeling). Use emotive language to describe your feelings.
- Paragraph two - discuss what has happened and how you feel about it (use specific events / information from the text - think about active and passive voice).
- Be sure to use both facts and opinions in your letter.
