

## Chilli Two -

1. Use the speech below to add your own manner (how it is being said) and actions.
  2. Continue the conversation by adding what magpie and dog might say next.

Think about all our lessons this week to help you complete the table. What emotive words can you add? Which subordinate conjunction will help you add on the action? How can you use your opinions of the characters to help you chose your manner and actions?
