

Chilli One - Short letter (one-two body paragraphs)

Chilli Two - Letter (two-three body paragraphs)

Chilli Three - Letter (three-four body paragraphs)

- Write a letter to Magpie from you (Dog), persuading her not to leave with Fox. You need to use persuasive features (alliteration, repetition, and rhetorical questions), emotive language (up-levelled adjectives like devastated, abandoned, and heart-broken) and imperative verbs (stop, need, must).
- Make sure you use evidence from the text to support your reasons for Magpie staying (you helped her, you're friends).
- Follow the letter structure (date, greeting, body paragraphs (in chronological order), closing and signature).
