# I will know how to create using collage

- ▶ Today, you will be learning lots of new skills on the computer so you will need to be patient and resilient.
- ▶ This means, it may not go according to plan for you on your first go but that does not mean you give up!
- ▶ Practice makes better! (not perfect, there is no such thing!)

# I will know how to create using collage

- ▶ As we are looking at mini beasts in topic, we are going to focus our art lesson on mini beasts too.
- ▶ Today, using the skills of collage, you are going to make new mini beasts using the body parts of other mini beasts!
- ▶ Let's take a look!

- ▶ You are now free to pick your own base animal.
- ▶ Add on other animal's body parts to create your own mini beasts.
- ▶ You need to create at least two new mini beasts, give them names and explain why you picked each body part.
- ▶ You have an assignment template to help you.
