

Welcome to Year 6 Guided Reading

The lesson will begin at 09:00am

Turn your camera and microphone **off** please

Thursday 7th January, 2021

I will know how to infer characterisation

Do now:

What is Shackleton's forename?

Which great challenge did Shackleton set out to achieve?

I will know how to infer characterisation.

Mini Task:

As the introduction is being re-read, note down any dates and key information that will help you understand Ernest Shackleton.

I will know how to infer characterisation.

Born on 15 February 1874, Shackleton was the second of ten children. From a young age, Shackleton complained about teachers, but he had a keen interest in books, especially poetry – years later, on expeditions, he would read to his crew to lift their spirits. Always restless, the young Ernest left school at 16 to go to sea. After working his way up the ranks, he told his friends, "I think I can do something better, I want to make a name for myself."

I will know how to infer characterisation.

Main Task

Around the outside of the picture of Ernest Shackleton, write known facts and inferred qualities that you gather about him from the introduction.

Resources and the relevant document can be found in your assignment section.
