I will be able to explore the meaning of words in context.

I will be able to explore the meaning  
of words in context.

Apply it:

1. Define *overjoyed*. Generate a synonym.
2. What is the *floe*? Use the context (text and picture) to help you.
3. What is *morale*? Use the context in which the word is found in.

Vibrations and pressure ridges in the ice meant that the men had to be extremely careful when they were out on the *floe*.

Despite the pressures of leadership, Shackleton knew it was vital to keep the crew's *morale* high.
