

## What time of day?

Look at the activities in each picture. Beneath each one is the time it normally happens - but when exactly is it? Write underneath each picture whether it is **morning, afternoon or night**

five minutes past seven

quarter to eight

half past six

ten minutes to six

twenty two minutes  
past three

twelve minutes to seven

To understand and correctly use a.m. and p.m. to describe time

2.3.21

Write a sensible time of day in words for each of these activities and remember to include a.m. or p.m..
