

Dear Parent & Carers,

Following feedback after completing the online we have listened to you

- More time for tasks in live sessions
- Screen fatigue- online for too long
- Difficulty with multiple children being online for so long
- Timings to be more flexible for accessing recordings

The timetable will remain in the original format with live lessons indicated. Live sessions will have one of two formats either a full live lesson with tasks included or a short introduction to direct children to the task for the day and to offer support as required. Where a full live lesson is delivered more time will be given for tasks to be completed within the session.

Some lessons, such as guided reading, may be pre-recorded with assignments attached to be completed before the next session or the given deadline. Assignments will be set within class teams and support available in the same way as before.

We thank you for your support with children accessing learning and welcome any further feedback.

Kind regards

Mrs Victoria Richmond

Principal
