

English-

In English we will be reading a range of pirate stories as well as information texts about the ocean and Jacques Cousteau. We will be writing our own pirate stories, a biography on Jacques Cousteau and creating our own poems. We will continue to practice our joined up handwriting and spell the year 3/4 word list accurately.

For grammar we will be looking at Standard English, a range of verb forms and tenses.

MFL- French

We will be learning to describe the weather.

Art & design-

We will be doing observational drawing, 3-D models and clay sculptures - writing reviews of Antony Gormley's Another Place. We will also be learning to do Batik art, printing and analysing famous seascapes.

Year 4 - Term 3

The Blue Abyss

Maths -

In Term 3 we will be continuing to practice our times tables and written methods for the four operations. We will be doing further work on multiplication and division as well as introducing area and fractions.

Science-

In science we will be focusing on animals and their habitats. We will learn about the different environmental factors that influence where animals thrive.

Geography/ History

We will be locating the world's seas and oceans and some of the famous coastal cities. We will be finding the Great Barrier Reef and gaining an understanding of the issues it faces. Diving back to the 1800s we will learn all about the HMS Challenger.

PE-

As it is likely to be weather dependent and so more likely to be indoors we will be completing circuits, developing our orienteering skills and playing Benchball.

RE-

In RE we will be focusing on Sikhism. We will be visiting our local Gurdwara.
