

English-

In English, this term, our class book will be 'The Viewer'. It is a haunting tale, all about a curious, young boy named Tristan, who discovers an old, mysterious Viewmaster at his local rubbish dump, complete with a set of disks. Using this tale, as a stimulus, Year 5 will further develop their writing skills by exploring genres such as autobiography, newspaper report writing; short narrative, as well as, diary entries.

History-

Fasten your 'space rocket seatbelts' and journey with us to the moon and back as this term we will be investigating the 1960s Space Race. Through this fascinating unit, we will be discussing America and the USSR's attitude towards space travel.

RE-

In RE this term, we will focus on Judaism learning about Jewish celebrations of life and their religious symbols and their meanings.

Art & Design-

This term, we will be researching Science Fiction set and creature designs. We will then use our research to design and produce our very own set designs and creatures from outer space. Using a storyboarding technique, we will then produce a Science Fiction narrative that will be animated using computer technology!

Year 5 - Term 3

Stargazers

Computing-

During our computing sessions, we will be producing a Science Fiction stop motion animation using a setting and figures created in our Design and Technology lessons! As well as this, we will be researching many facts about important space missions through history.

Maths-

In Maths, this term, we will be continuing to develop multiplication and division skills. Plus, we will focus our attentions on fractions and measures. As always, we will continue to practice our times table facts with their corresponding division facts, ensuring that we increase our speed of recall.

Science -

Can you name all eight planets in our solar system? What order are they in and what properties do they each possess? How does night and day occur? These are just some of the questions we will be exploring in our exciting 'Earth and Space' unit, this term!

PE-

PE- We will continue to develop our team work skills through a variety of skill development and games.
