## Special Educational Needs at Oasis Academy Skinner Street

Dear parents/ carers

The process of identifying special needs in children is long and complicated!

I have also set up a private Facebook page called "OASS SEND", where I will be posting useful information and links about ways to support your child, your family and yourself if you have a child in your family with special educational needs (SEN).

If you have any questions or queries, please join the Facebook page or email [inclusions@oasisskinnerstreet.org](mailto:inclusions@oasisskinnerstreet.org)
