## Year 4

### Fort Amherst

To extend our learning in History of the local area we visited Fort Amherst. We focused on what life was like during an invasion and the specific aspects of the Fort that would be effective in an invasion. We counted a lot of cannons and over the course of the day walked 10,000 steps!

We will be using the iPads every day it is crucial your child has theirs in school every day.

### English Term 2

In our Reading lessons this term we will be focusing on Krindelkrax by Phillip Ridley. We will be using this text to further develop our writing skills through the VIPERS. In our writing lessons we will be first writing a holiday advert taking inspiration from A Lion in Paris. For the rest of the term we will be focusing on Moon Man by Tomi Ungerer. We will be continuing to improve our handwriting and presentation to build on the hard work in Term 1.

### Maths Term 2

In our Maths lessons this term we will be continuing our learning around addition and subtraction, ensuring children are confident both in written and mental calculation methods. In the second part of the term, our topic is length and perimeter. This will involve calculating length, measuring length and understanding equivalent lengths. We also celebrated success this term with Maple gaining an award on the Sumdog competition and Haroon coming first in the whole competition, huge well done to Haroon! We are really proud.

### Curriculum Term 2

We will be focusing on democracy and mutual respect in relation to Greek history and the Olympics.
