PE

Thematic

History – The British Empire and Railways
Music – World Music
Art – Landscape painting

Nativity – information to follow

Reading books

Your child will receive 2 books each week. One story book, that they have chosen for pleasure and one phonics book to practice their early reading skills. Please ensure along with the reading record both books are in your child's bag every day. Please ensure ALL books are returned and brought back to school in the condition they left in. We encourage a love of reading at school, and this focuses on taking care and looking after all our books. The children change their books when they are fluent (read without hesitation) at reading the book – the more often they read the better this becomes.

Writing

This term in writing the children will be focusing on the book, The Lighthouse Keepers Lunch, learning how to set out and write a letter.

Maths

This term in Maths we will be learning to add and subtract using visual and physical resources and learning about shapes.

Clothing

As the weather changes we are seeing more children bringing in warmer clothing such as hats and scarves. please ensure all of children's clothing is named.

If possible, it would be greatly appreciated if you could provide spare clothing for your child in their bags.

Attendance

Attendance and punctuality (not being late) last term was very good. We hope to keep this going this term.
