Welcome to Term 4

It was another successful term, and the children are really enjoying our topics. They made paper, created a range of collages, wrote an autobiography and practised their rhythm with a clapping sequence.

Curriculum

PE

Poppies class now has PE on a Thursday with Chatham Football Club.

Bluebells will continue to be on Monday and they will swap next term.

Children should come in wearing their PE uniform which should consist of house colour T-shirt and black/navy shorts or trousers. Black Trainers or plimsolls.

We will be focusing on object control using a range of different balls.

English

As we are now in term 4, we are encouraging the children to write more and practice saying their sentences before writing them down. This helps them to structure their ideas in full sentences.

Spellings will be issued on spelling shed each week and we encourage children to practice every night. Logins will be sent out the first week back.

Maths

Last term we started our Multiplication and division topic which we will finish before moving onto statistics, shape and fractions.

Sumdog logins will be sent out the first week and children should complete the tasks assigned each week.

Science

We will continue with our topic of materials but this time concentrating on efficiency and suitability. The children will be asked to think about why a material is chosen, what its purpose is and create their own structure.

Reading

Reading is still one of our main focuses and children are reading more text types as well as practising their phonics. Please try to read with your child each night for 10 minutes, this will help secure their phonics which they are learning in school.

Attendance

Attendance is important to your child's progress. We only won the award once last term and would like to see both Year 2 classes winning. Children should be in school everyday to ensure they reach their potential.

Key Dates

1st March – World Book Day

3rd March – parent workshop (you can come into class to support your child with a project)

15th March – Trip to Kent Life (Due to the cost of the coach we have had to cancel this trip)
