

15th March 2022

Dear Parent/Carer

Easter Holidays - Free events and holiday clubs for your children!

If your child is aged 5 – 16 years old and receives benefits-related free school meals, they are eligible to attend some of the exciting activity sessions and events running over the school holidays across Medway.

MedwayGo is working with Medway Sport, Street Games, Street Soccer Foundation, Fuzion Active and Hoo Sports as well as lots of other local groups to offer free sessions, events and activities for you to join.

Because all children are different, each club will offer different fun activities. These include arts and crafts, drama, sports, swimming, music, learning about animals and other exciting opportunities for children to try new things.

Book places NOW!

If you are eligible for free-school meals, visit the website <https://go.medway.gov.uk> to register yourself and your child and book on to the huge range of activities available. Please note, parents will be required to enter their national insurance number when booking. This is so we can check your child is eligible to attend the activities free of charge.

If your child is not eligible for free school meals, don't worry – there will be information on other provision that is accessible.

If you have any enquiries about the MedwayGo programme for Easter, please email go@medway.gov.uk and we will be happy to help.

Yours sincerely

Vedia Mustafa
Holiday Activities and Food Programme (HAF) Manager
